The expected pace of play is 4 hours and 10 minutes (maximum), which works out to about 14 minutes per hole. Be sure your group plays ready golf and keeps up with the group ahead of you. Play by the New Rules of golf when looking for lost balls, 3 minutes for searching of ball.

4-Man Team: Best Ball Shamble

4. The team score will be the best 4 net scores on each hole.

Guidance for 3-Person Teams:

1. Each player will play own ball.
2. The score for the missing player will be determined by a blind draw with pool for the draw being the equivalent player on other teams (example: If the B player is missing, the score will be a blind draw from the other teams' B players.)

Scoring:

1. Record individual gross scores for each hole.
2. Two signatures are required for each scorecard.
